Standard Stratocaster

1991 to date

Headstock	Small single string tree with Truss R A at headstock end
Logo	Modern Thick Silver changed to Black 70s style 2010
Pickguard	White 11 Screw Laminated Plastic White Controls
Bridge	6 pivot/vibrato unit
Neckplate	4 bolt no micro tilt adjuster
Neck	Fretted Maple or Maple with Rosewood 21 medium jumbo frets*
Body	Sunburst or Colours
PUPs	3 White 6 polepiece 5 way selector
Notes	

*Frets were vintage size up until 2006 when they changed to Medium Jumbo and at the same time put in a larger trem block.

Other changes are a transition from Poplar bodeis to Alder around 2000. These Alder bodies were veneered up until 2011. Also around 2000 they changed from the smaller pots and cheaper switch to CTS pots and an improved switch which are the same as the US standard models
